The best gifts cannot be bought...
WOW
ME

..or packaged in a box.

They are with us in the good times...

... and the bad.
ART THER

The best gifts stay with us forever
I drew this for you

They make us who we are

And no matter how many times we say "thank you"..
I love what you're making!
-thanks mom

It will never be enough.
I'll teach you how to draw someday.
